

Hello

1st GRADE
KIDDOS and Families!

MY NAME IS **MS. REILLY** AND I AM SO
EXCITED TO MEET AND WORK WITH YOU
THIS SCHOOL YEAR!

About Me

The 2022-2023 school year will be my sixth year in First Grade at East Ward! I received my undergraduate degree in Elementary Education at the University of South Carolina and my Master's Degree in Educational Development and Strategies from Wilkes University. I am from the Downingtown area. I love spending time with friends and family and enjoying summer vacation down the shore. I am looking forward to a great year ahead!

About 1st GRADE

We will spend this school year learning a lot! We will expand on reading and math skills from Kindergarten while exploring new strategies as well. Students will learn about holidays around the world, air and weather, and more! We will be reading many books and using hands on learning to grow our understanding!

This is me and my
dog, Lily!
